Please note: Many individuals are nominated and/or apply for a few open board positions. A nomination committee reviews all applications and recommends a slate of nominees to the Board of Directors. Because there are only a few positions open annually, those nominated will most closely match the need relative to the make-up of the board at that time. If you are not chosen, be assured that your application will remain on file for future board positions unless you request otherwise.

Thank you for your interest in serving on the Board of Directors for the Coppell Chamber of Commerce.
